

IMPORTANT NOTICE
Town of Western

2023 NEW FULL VALUE ASSESSMENT

March 1, 2023

Dear Property Owner:

As part of the Assessment Equity Improvement Project, the town's assessment department has reviewed and analyzed all property assessments.

Why you are receiving this Notice

According to NYS Real Property Tax Law, all property assessments must be valued at the same uniform percentage. To maintain this legal requirement, assessment updates must be performed periodically. By implementing this program, assessments remain fair and equitable.

What you need to know

An assessment update does not generate more tax revenue for a municipality; it simply redistributes the tax burden fairly. NYS Real Property Tax Law §305 states that all properties must be assessed uniformly. Assessing properties at 100% full market value is the best way to ensure property assessment equity and reflects the current value of your property.

Keep in mind, the assessor does not determine taxes; this is the responsibility of each taxing jurisdiction. Assessments are merely the vehicle to determine the share of the property taxes owed.
